

VEGETABLES & PREMIUM INGREDIENTS

Sweet Potato - Diced

DESCRIPTION

Sweet potatoes are a healthy natural treat for dogs that are also highly nutritious. They are high in fiber to support digestive health. They are an excellent source of beta-carotene which is not only a potent antioxidant but is directly converted to two molecules of Vitamin A by dogs. Vitamin A is essential for good vision and bone growth. In addition, sweet potatoes are rich in vitamin C, vitamin B6, potassium and iron.
